

Peace and Prosperity through Science Collaboration

CRDF Global is an independent nonprofit organization that promotes international scientific and technical collaboration through grants, technical resources and training. CRDF Global is based in Arlington, Virginia with offices in Moscow, Russia; Kyiv, Ukraine; Almaty, Kazakhstan; and Amman, Jordan.

What we do

CRDF Global designs and manages international research funding programs and supports emerging science and technology infrastructure in over thirty countries. CRDF Global specializes in bringing isolated scientific communities into the global scientific mainstream.

How we do it

Building Capacity:

- National Science Foundations
- University Research and Education Centers
- Global Virtual Science Libraries
- Shared Equipment Centers
- Technology Entrepreneurship Programs (business partnerships, technology transfer offices)
- Increasing safety and security for high technology research
- Introducing new technologies in a safe and secure manner

Training for scientists and technology professionals

- Professional skills (proposal-writing, peer-reviewed publications)
- Intensive English (for scientific publications and international science conferences)
- Research Ethics/Bioethics
- Research Management
- Technology Transfer

Grants

- Collaborative research grants
- Travel grants
- Fellowships

Services/Programs

- International Peer Review Services
- Financial and Project Management Services
 - Funds management, travel, events, procurement, and program support
 - Pre-and Post-Award Oversight, Training and Project Management

CRDF Global accomplishments

- Nearly 3,000 grants engaging over 13,000 scientists—including 2,500 former weapons researchers—representing more than \$105 million in total support.
- Over 50 equipment and education centers established in eight countries.
- Over 500 scientists and students trained in various scientific professional skills
- Over \$42 million leveraged in contributions from foreign governments and U.S. industry.
- More than 1,100 individual projects, valued at over \$195 million, facilitated on behalf of over 180 clients.
